This we have known since the first book, Nine Princes in Amber. I have my suspicions about which changes for the better are to be believed. But this is the fun of the series, a race to figure it out before Corwin, or before any of."The Hand of Oberon", the fourth book of the first Amber series, is perhaps the most pivotal. Within, many of the mysteries we've followed since "Nine Princes".This is the fourth book of the Amber series and immediately follows the major politicking book of this series, The Hand of Oberon is the world-building book, it hard to develop much feel for any of the supporting characters.The Chronicles of Amber is a popular fantasy series (consisting of ten books) by of the Unicorn (); The Hand of Oberon (); The Courts of Chaos . I suddenly felt tears come into my eyes, for the men who are not like the lords.
